Miss Mary Conlon of 18 Hamilton Street, Hartford, Says CINOT Relieved Her After Trying Many, Many Other Remedies.

Another story that will cause wonder and amazement to the many friends of Miss Conlon is her miraculous recovery from rheumatism of over two years standing. But we will let Miss Con-

lon tell her own story. She says:-"For the last two years I have been bothered with rheumatism and the pain was intense and would jump to all parts of my body. With the least change of weather my pain would begin and I was getting it so badly that I began to feel that I might get serious results and become crippled or helpless. One day I saw an advertisement in the paper telling what CINOT had done in a case similar to mine but was skepti-cal about it, but finally I am glad to say that I bought a bottle of CINOT and from the first bottle I began to get well and after three bottles I was en-tirely relieved and I endorse CINOT
